### LAMP AREA SERVICE

#### **Sunday 21<sup>st</sup> August at 11am in Down Cathedral**

*This will be the first single Area Service in LAMP since 2019 – a significant event in itself.*

*During this service we will formally welcome our two new staff members, Billy Fyffe and Revd Sabrina Cooke.*

***We encourage folks to make every effort to attend this service.***

With the continuing challenges many people are facing through the rising cost of living, the Fountain Foodbank is busier than ever. If you are able to pop something in your shopping to support this work, they would welcome:

*Tinned or packet soup; tinned fruit; cereal; tinned peas; bags of sugar; packets of flavoured rice; toiletries; washing powder.*

We are also aware that some parishioners may themselves feel the pressure of the rising cost of living. If, at any stage, you feel you would need the services of the Foodbank yourself, please know you can get in touch, with the assurance of confidentiality, with Henry or Adrian who are able to refer you.
