Our special guest speaker will be Mrs Hilary McClay, Bishop David's wife.

Motorcycles for Maridi

Bishop David has launched an appeal across the diocese to support ministry in our link Diocese of Maridi in South Sudan. Down and Dromore and Maridi have had a partnership for over 20 years, which was set up by Canon Cecil Wilson and Bishop Harold Miller. **Bishop David has just returned from his first trip to Maridi and he has launched an appeal to buy a bicycle for every parish clergyman in Maridi and a motorcycle for each Archdeacon. At present they can spend days on foot between visits.**

ON SUNDAY 12TH AND SUNDAY 19TH MAY AT EACH SERVICE IN LAMP THERE WILL BE A RETIRING COLLECTION FOR THIS PROJECT. It is hoped that LAMP will be able to raise enough money between our fourteen churches to fund the purchase of a motorbike for one of the 9 Archdeacons in Maridi. Please, as you can afford to, consider making a gift to support this project. Cheques are payable to 'Down and Dromore Sundry Funds'. Cheques and cash should be returned to the Cathedral Office by Treasurers or Churchwardens, and the final total will be tallied and sent off. On the right you will see photograph of a delegation of South Sudanese Bishops including Archbishop Justin Badi (on the left) and Bishop Moses (on the right), the present Bishop of Maridi. In 2022 they came to Down Cathedral to pray and pay tribute at the grave of Canon Cecil.

Down Cathedral Broadcast

On Sunday 19th May BBC Radio Ulster will broadcast the service from Down Cathedral live at 10am. While other services will continue as normal in LAMP, you are welcome to attend but must be seated **by 9.45am at the very latest.**
